“Cornerstone made our wedding day completely stress-free, and that’s not something I say lightly. The venue and food were both incredible, but honestly what stood out most was just how handled everything felt all day long. As a bride, I was completely at ease.”

2026 Bride

A full-page photograph of a wedding ceremony taking place outdoors in a lush green forest. In the center, a bride in a white lace gown and veil holds hands with a groom in a dark suit. They are standing under a rustic wooden archway decorated with large floral arrangements of pink, blue, and white flowers. A officiant in a light-colored suit stands between them, holding a book. Guests are seated in white chairs on either side of the aisle. Tall, slender trees frame the scene, and a mountain peak is visible in the background under a cloudy sky. The word "CEREMONIES" is overlaid in a white serif font across the middle of the image.
